AAJ Litigation Groups are critical tools for battling the overwhelming resources of corporate counsel. As a member of a Litigation Group, you have access to the accumulated information and experience of your skilled colleagues.

## Join a Litigation Group Today!

- Gain access to knowledge and documents from similar cases
- Uncover specific strategies that worked—or did not work—for your colleagues, so you can avoid pitfalls and effectively prepare for discovery and trial
- Have a ready network of colleagues you can call for advice when you are faced with unexpected challenges
