You are invited to join the premier network of plaintiff firms in the country—AAJ's Leaders Forum.

- Experience unmatched networking opportunities
- Gain access to exclusive events

- Receive valuable tax benefits, and
- Be a leader in AAJ's Fight for Justice Campaign.

Defend the Civil Justice System

While the American voters have elected a President, House and Senate committed to protecting the civil justice system, we still face enormous challenges at both the national and state levels. Civil justice opponents—the insurance industry, drug and oil companies, and the U.S. Chamber of Commerce—spent billions of dollars in the last two decades to make their case. With their recent losses at the ballot box, they are committed to spending even more.

Your Leaders Forum membership will enable us to make our case through AAJ's Fight for Justice Campaign, AAJ's program to defend the civil justice system and the right to trial by jury through public education.

Enjoy the Benefits of Leaders Forum

The benefits of Leaders Forum extend beyond the amenities.
