If we need to contact you to service your membership record or to provide you with information about your membership, products and services and advocacy and legislative updates, we will honor your contact preferences. By providing your preferred contact preferences, including phone number, fax number, and email address, you consent and give permission for AAJ to contact you by any of those means, which may include calls to your mobile phone, faxes, or emails. You may contact AAJ at any time to change your preferences. Dues cover 12 full months of membership and include a one-year member subscription of Trial magazine (\$45). Membership dues paid to the American Association for Justice (AAJ), formerly the Association of Trial Lawyers of America (ATLA®), are not tax deductible as charitable contributions for income tax purposes. However, dues may be tax deductible as an ordinary and necessary business expense, subject to restrictions imposed as a result of AAJ's lobbying activities. AAJ estimates that the portion of dues and other similar amounts it expects to receive that are allocable to AAJ's lobbying expenditures is 32 percent. Accordingly, 68 percent of your dues and contributions to AAJ may be deductible as an ordinary and necessary business expense. **Please consult your tax advisor to confirm.**
